From the Chairman, Mr A. M. Thomson

Dear Shareholder,

As you will see from the notice of the Annual General Meeting of the Company, to be held on 17 May 2017, in addition to the ordinary business to be transacted at the meeting, your Board is proposing 6 items of special business, as set out in resolutions 12 to 17, an explanation of which is given on page 3 of this document.

The ordinary business of the meeting will include proposals to re-elect all the Directors of the Company in line with the UK Corporate Governance Code and to approve the annual remuneration report.

The special business relates to the renewal of the authority for Directors to allot shares; the renewal of the authority for Directors to allot shares on a non-pre-emptive basis; the renewal of authority for the Company to purchase its own shares; and the renewal of authority for the Company to call General Meetings on 14 days' notice. As an additional item of special business this year, shareholders are being asked to approve certain proposed amendments to the Company's articles of association.

Your Board believes that the resolutions to be proposed are all in the best interests of the Company and its shareholders as a whole and accordingly recommend that you vote in favour of them. You will find enclosed a Form of Proxy which, to be effective, you should please complete in accordance with the instructions given and return so as to reach the Company's registrar as soon as possible but in any event not later than 48 hours before the time of the meeting. The completion of the form of proxy will not prevent you from attending the meeting in person if you wish to do so.

Yours sincerely,

Alan Thomson

Chairman

Explanation of Ordinary Business

Final Dividend (Resolution 2)

The Directors are recommending a final dividend for the year ended 31 December 2016 of 10.8 pence per ordinary share. If approved, the final dividend will be paid on 2 June 2017 to shareholders whose names appear on the register on the close of business on 21 April 2017.

Retirement of Directors (Resolutions 3 to 8)

Under the articles of association of the Company each director must retire from office and stand for re-election by shareholders as a minimum at every third annual general meeting in order to continue to serve as a Director. However, in line with the UK Corporate Governance Code, and to further increase accountability, all Directors will retire at this Annual General Meeting and stand for re-election by the shareholders if they wish to continue to serve as Directors of the Company. Accordingly, the Directors retiring and offering themselves for re-election are Mr A.M. Thomson, Mr S.C. Harris, Ms E. Lindqvist and Mr I.B. Duncan. Having been appointed since the last AGM, Mr P. Larmon and Mr D. Yates will stand for election.

Remuneration Report (Resolution 11)

UK listed companies are required to put before shareholders in general meeting a resolution inviting shareholders to approve the Remuneration Report. This is an advisory vote only.

The Remuneration Report gives details of the Directors' remuneration for the period ended 31 December 2016.

Explanation of Special Business

Renewal of authority to allot shares (Resolution 12)

The Companies Act 2006 provides that Directors shall only allot unissued shares with the authority of shareholders in general meeting. The authority given to the Directors at the last Annual General Meeting to allot (or issue) unissued shares expires on the date of this year's Annual General Meeting.

Resolution 12 renews a similar authority given at last year's Annual General Meeting. Resolution 12 will be proposed as an ordinary resolution for the renewal of the Directors' general authority to issue shares in the Company and to grant rights to subscribe for or to convert any security into shares in the Company up to an aggregate nominal amount of £11,023,234, representing approximately one third of the current issued share capital of the Company (excluding treasury shares). In addition, in accordance with the latest institutional guidelines issued by the Investment Association, the resolution also seeks authority for the Directors to allot further of the Company's shares by way of a pre-emptive rights issue up to a maximum nominal amount of £22,046,468, (representing approximately two-thirds of the current issued share capital of the Company (excluding treasury shares)). The Directors have no present intention of exercising either of these authorities however consider that it is in the best interests of the Company to have the authorities available so that they have the maximum flexibility permitted by institutional shareholder guidelines to allot shares or grant rights without the need for a general meeting should they determine that it is appropriate to do so.

As at the date of this document, no ordinary shares are held by the Company as treasury shares.

If given, the authority granted under Resolution 12 will expire on the conclusion of the Annual General Meeting of the Company to be held in 2018 or on the date falling not more than 15 calendar months after the passing of this resolution, whichever is earlier.

Disapplication of pre-emption rights (Resolutions 13 and 14)

The Companies Act 2006 also provides that any allotment of new shares for cash must be made pro rata to individual shareholders' holdings, unless such provisions are disapplied under section 570 of the Companies Act 2006. The authority given to the Directors at the last Annual General Meeting to allot shares for cash pursuant to section 560 of the Companies Act 2006 expires on the date of this year's Annual General Meeting.

Resolutions 13 and 14, which will be proposed as special resolutions, will enable the Directors to allot equity securities for cash or sell treasury shares for cash, without first offering them to shareholders pro rata to their holdings. The resolutions take a different form to the resolution proposed at last year's Annual General Meeting.

Resolution 13 facilitates issues made by way of rights to shareholders which are not strictly in accordance with section 561(1) of the Companies Act 2006, and authorises other allotments of up to a maximum aggregate nominal amount of £1,653,485, representing approximately 5 per cent of the current issued ordinary share capital of the Company without having to comply with statutory pre-emption rights. This resolution renews the authority obtained at last year's Annual General Meeting.

If given, the authority granted under Resolution 13 will expire on the conclusion of the Annual General Meeting of the Company to be held in 2018 or on the date falling not more than 15 calendar months after the passing of this resolution, whichever is earlier.

Resolution 14 was not sought at last year's Annual General Meeting and seeks authority to allot an additional maximum aggregate nominal amount of £1,653,485, representing approximately 5 per cent of the current issued ordinary share capital of the Company without having to comply with statutory pre-emption rights. The power proposed under Resolution 14 will be limited for use only for the purposes of financing (or refinancing, if such refinancing occurs within six months of the original transaction) a transaction which the Directors determine to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this notice.

The Directors intend to adhere to the Statement of Principles issued by The Pre Emption Group, as updated in March 2015, and not allot shares on a non pre-emptive basis pursuant to the authority in resolution 13 in excess of an amount equal to 7.5 per cent of the total issued ordinary share capital of the Company (excluding treasury shares) within a rolling three year period, without prior consultation with shareholders.

Purchase of own Shares (Resolution 15)

Under Article 9 of the Articles of Association the Company is empowered to purchase its own shares. The Directors consider that the power to make purchases in the market of the Company's own shares should be maintained and accordingly recommend the approval of the special resolution set out as Resolution 15. The Directors intend to exercise this authority only where, in the light of market conditions prevailing at that time, they believe that the effect of such purchases would be to increase earnings per share and would be in the best interests of the Company and of its shareholders generally. Any shares purchased in this way will be cancelled and the number of shares in issue will be reduced accordingly, or held as treasury shares. The resolution specifies the maximum and minimum prices at which shares may be bought, and the maximum number of shares which may be bought, this being 10 per cent of the Company's issued ordinary share capital at 31 December 2016. At that date there were no share options over unissued shares.

Calling General Meetings on 14 clear days' notice (Resolution 16)

Section 307A of the Act provides that a general meeting of a 'traded company' such as Bodycote plc must be called by at least 21 days notice, but may be called by at least 14 days notice if three conditions are met. The three conditions are:

- that the meeting is not an annual general meeting;
- that the company offers 'the facility for shareholders to vote by electronic means accessible to all shareholders'. A condition that is met if there is a facility to appoint a proxy by means of a website; and
- that shareholders have approved the holding of general meetings on 14 clear days notice by passing a special resolution at the previous Annual General Meeting or at a general meeting held since the last Annual General Meeting.

The Directors consider it desirable that general meetings of the Company, other than the Annual General Meeting, can be called on at least 14 clear days notice. Resolution 16, which will be proposed as a special resolution, will authorise the Company to call general meetings other than Annual General Meetings on 14 days notice and the authority of this resolution will expire at the conclusion of the next Annual General Meeting.

Adoption of New Articles of Association (Resolution 17)

The Company's current Articles of Association have not been updated since 28 April 2010. The Company is using the occasion of the Annual General Meeting to propose certain amendments to the Company's Articles of Association.

Resolution 17 will be proposed as a special resolution. If passed, the resolution will effect the adoption of new articles of association ("New Articles"). The principal amendments of the New Articles (other than those which are deemed to be of a minor, non-substantive, technical or clarificatory nature) are to:

- remove the provisions relating to share warrants in light of the Small Business, Enterprise and Employment Act 2015, which prohibits the creation of new bearer shares and requires existing bearer shares to be converted into registered shares;
- remove redundant provisions relating to the issue of stock (which is not relevant in the Company's case) and other redundant provisions which were relevant when the Company had an authorised share capital in place; and
- allow for general meetings to be held electronically as well as physically in accordance with the Companies (Shareholders' Rights Regulations) 2009 (the "Shareholders' Rights Regulations") and the Companies Act 2006. If this Resolution is passed, the changes introduced in the New Articles will allow for meetings to be held and conducted in such a way that persons who are not present together at the same place may attend at, speak and vote at the meeting by electronic means. Nothing in the New Articles will preclude physical general meetings being held.

A copy of the New Articles and a copy of the Articles, marked to show all the changes proposed, are available for inspection as noted on page 3 of this document and will be available for inspection at the meeting.

Notes on Voting and Voting Rights:

1. Any member entitled to attend, vote and speak at the Annual General Meeting is entitled to appoint one or more proxies (who need not be a member of the Company) to attend and to vote instead of the member. Completion and return of a Form of Proxy will not preclude a member from attending and voting at the meeting in person, should he subsequently decide to do so.
2. Any member attending the Annual General Meeting has the right to ask any question relating to the business being dealt with at the meeting. The Company will answer any such questions unless exempted by the provisions of section 319A of the Companies Act 2006.
3. From the date of this notice and for the following two years the following information will be available on the Company's website and can be accessed at www.bodycote.com:
 - (a) the matters set out in this notice of meeting;
 - (b) the total numbers of shares in the Company and shares of each class, in respect of which members are entitled to exercise voting rights at the meeting; and
 - (c) the totals of the voting rights that members are entitled to exercise at the meeting in respect of the shares of each class.

Any members' statements, members' resolutions and members' matters of business received by the Company after the date notice will be added to the information already available on the website as soon as reasonably practicable and will also be made available for the following two years.

4. A form to be used for appointing a proxy or proxies for this meeting to vote on your behalf can be found enclosed with this notice and the form of proxy provides details of how to cast a vote electronically.
5. In order to attend and vote at this meeting you must comply with the procedures set out on the front page of the notice of this meeting and any further instructions given to you prior to or during the course of the meeting itself.
6. Entitlement to attend and vote at the meeting and the number of votes which may be cast thereat will be determined by reference to the Register of Members of the Company at close of business on the day which is two days before the day of the meeting or adjourned meeting. Changes to entries on the Register of Members after that time shall be disregarded in determining the rights of any person to attend and vote at the meeting. In order to be valid an appointment of proxy (together with any authority under which it is executed or a copy of the authority certified notarially) must be returned by one of the following methods:
 - (a) in hard copy form by post, by courier or by hand to the Company's registrars, Capita Asset Services, PXS, 34 Beckenham Road, Beckenham, Kent BR3 4TU;
 - (b) via www.capitashareportal.com by logging in and selecting the 'Proxy Voting' link. If you have not previously registered for electronic communications, you will first be asked to register as a new user, for which you will require your investor code (which can be found on the enclosed proxy form, your share certificate and tax voucher), family name and post code (if resident in the UK); or
 - (c) in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below and in each case must be received by the Company not less than 48 hours before the time of the meeting. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting and any adjournment thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s) should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment, or instruction, made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ('EUI') specifications and must contain the information required for such instructions, as described in the CREST Manual. The message regardless of

whether it relates to the appointment of a proxy or to an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA 10) by the latest time(s) for receipt of proxy appointments specified in the Notice of Meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) of the Uncertificated Securities Regulations 2001. CREST members and where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy instructions. It is therefore the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

If you are a person with information rights under section 146 of the Companies Act 2006 you do not have the right to appoint a proxy. Any such forms returned by such persons will be ineffective. You may however have specific rights to instruct the member who granted you information rights as to how such member exercises their right to appoint a proxy.

7. Biographical details of the Directors, including their membership of Board committees, are set out in the Annual Report and Accounts for the year ended 31 December 2016. There is no Director's service contract of more than one year's duration.
8. The total number of ordinary shares of 17 3/11ths pence in issue as at 28 February 2017, the last practicable day before printing this document and the total number of voting rights was 191,456,172. No shares were held in treasury.

Where the Company is required to publish such a statement on its website it may not require the members making the request to pay any expenses incurred by the Company in complying with the request, it must forward the statement to the Company's auditors no later than the time the statement is made available on the Company's website, and the statement may be dealt with as part of the business of the Annual General Meeting. A member or members wishing to request publication of such a statement on the Company's website must send the request to the Company using one of the following methods:
